**20 JOB OPENINGS IMMEDIATELY!!  
WE PAY HOURLY AND PIECE  
WORK RATES**

New Hope Specialized Services opened its doors exactly a year ago on October 19th, 2011. The staff and managers of our company would like to express their appreciation to the community for your support. The relationships we have built with Support Administrators, families, parents, guardians, and of course our wonderful Friends with Special Needs is priceless. We strive to exceed your needs in providing the best services we can at both locations!
