

Milestones School Team Training: Effective Behavioral Interventions for the Classroom

AUGUST 5-9, 2013 | 8:30 A.M. – 4:30 P.M.
Cleveland, Ohio

A CAPACITY BUILDING TRAINING FOR YOUR ENTIRE TEAM

REGISTRATION NOW OPEN

Request an application at
lrtsky@milestones.org
or by calling
216.464.7600.

★ Register by April 30 and
receive a **FREE** registration to
Milestones Annual Autism
Spectrum Disorder
Conference on June 19–20
at the Cleveland I-X Center.

Participate in a week-long, hands-on professional development opportunity focused on evidence-based classroom techniques to teach students with autism in preschool through high school. Lecture and practical application with students with ASD and typical peers.

Learn how to:

- ★ Plan and deliver instruction so children with disabilities can increase access to the academic standards
- ★ Work as a collaborative team to improve student outcomes and performance
- ★ Reduce problem behaviors utilizing the strategies of ABA (Applied Behavior Analysis)
- ★ Manage and structure your classroom to promote independence
- ★ Improve your IEP writing skills and data collection procedures

For intervention specialists, paraprofessionals, school administrators, speech language pathologists, school psychologists, occupational & physical therapists

Team Rates

- 1 Participant – \$1,000 each
- 2-3 Participants – \$900 each
- 4+ Participants – \$800 each

(Inquire about limited scholarships available.)

Professional Development Opportunity!
