### Opportunities to Improve Postsecondary Transition for Youth with Disabilities

**What:** David Test and Catherine Fowler, National Secondary Transition Technical Assistance Center (NSTTAC)

**When:** 9 am to 3 pm each session

Monday April 29: NORTHEAST: Kent State University Student Center

Wednesday May 1: NORTHWEST: SST Region 1 Office, Toledo

Tuesday May 21: SOUTHWEST: Miami Valley Regional Center, Dayton

Wednesday May 22: SOUTHEAST: ESC of Athens-Meigs Counties, Chauncey

**Cost:** Free

*Sponsored By The Ohio Secondary Transition Improvement Grant, A Federally Funded Project Administered By The Ohio Rehabilitation Services Commission And The Ohio Department Of Education-Office Of Exceptional Children*

*NSTTAC staff is recognized as national experts in the field of secondary transition for students with disabilities.*

*NSTTAC conducted the research that identified Evidence Based Practices and Predictors of Postsecondary success for Transition Youth. David Test and Catherine Fowler from NSTTAC will be the primary trainers.*

**Intended Outcome: Adult Rehabilitation professionals (VR, DD) and educators (Intervention Specialists, Transition Coordinators) will strategize on ways to work collaboratively to improve postsecondary outcomes for students with disabilities.**

**Topics included:**

- Removing Barriers to Interagency Collaboration
- Coordinating services in the IEP and IPE
- Implementing Evidence Based Practices
- How VR can Contribute to IEP development
- How Educators can analyze assessment information in vocation terms
- Work Together as District/Region Teams to Formulate Plans for Collaboration
