

THE MUSIC SETTLEMENT

Music and the Brain: An Introduction

An Evening with
Dale Taylor, PhD, MT-BC and
Elizabeth Stegemöller, PhD, MT-BC

Friday, April 19, 2013, 7:00 p.m.

Glick Recital Hall, The Music Settlement

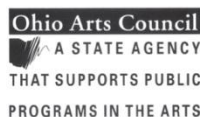

You are cordially invited to help us celebrate The Music Settlement's first 100 years of service to the community and position us to move more effectively into our second 100 years! Please join us for a discussion with two esteemed leaders in the music therapy field who will provide us with an introduction and overview of findings and trends in neuroscience and music.

Free admission (reservations are required)

***Seating is limited.* For questions or to make a reservation, contact:**
