

## **Camp Milestones** **2013 Scholarship Application**

Milestones is committed to offering scholarships for registration based on financial need. We do request that *before* applying for a Milestones scholarship, you first apply for funding through the County Board (contact your support administrator) or through ESY (contact your school district.)

In order to help as many families as possible with a partial scholarship, Milestones asks that you contribute as much as you can afford towards the camp registration fee. Please let us know if you will be able to afford half the camp fee: \$85. If that is beyond your means, please consider paying a smaller percentage of the fee. Scholarships will be awarded on a first come first serve basis.

Please complete this brief application and return it with your child's Camp Application by **June 1, 2013** via email to **[lrotsky@milestones.org](mailto:lrotsky@milestones.org)** or fax **216-464-7602**.
