

**Applied Behavior Analysis Workshop**  
**"Evidence Based Practices in Serving Persons with Autism"**

Date: Saturday, November 8, 2014  
Time: 9:00 a.m. - 12:00 p.m.  
Location: Cleveland State University - Julka Hall 191  
Lead Presenter: Michael R. Mayton, PhD, BCBA-D  
Sponsor: Programs in Special Education at Cleveland State University

The workshop will focus on the use of evidence based practices with persons with Autism. Participants will learn how to evaluate interventions and select treatments that are supported by research. Resources helpful to direct service providers will be presented. Dr. Mayton, a faculty member at West Virginia University, will present practical content that is focused on developing the skills of service providers. Dr. Mayton has an extensive background in serving persons with developmental disabilities. He has been the founder and director of a university-affiliated project serving young adults with autism. His recent publications involve evaluating single subject design research with persons with severe disabilities. Additionally, he has recently co-authored a book on effective instructional practices for persons with autism.
