WHO SUPPORT EPILEPSY AWARENESS

Empowering Epilepsy is a non-profit organization dedicated to creating a seizure controlling/preventative community for people with epilepsy and their families in Northeastern Ohio. Our goal is to provide free services and support that enables people with epilepsy to focus on their mind, body and spirit and take charge of their lives.

Purple Day, held on March 26th annually, is an international grassroots effort to increase epilepsy awareness worldwide. People are invited to wear purple and host events in support of epilepsy awareness.
