

Making the right choice:

Important tips and tools for choosing a provider

Come learn information about selecting a provider to help with personal care, day program, transportation and other services for individuals with developmental disabilities.

Attending this presentation will help you:

- Understand the concept of “free choice of provider”
- Gain confidence to use the Provider Search Tool
- Understand the role of the support administrator (SA)
- Understand the role and responsibility of the family in selecting a provider
- Utilize tools to develop specific questions to ask providers during the interview process
- Learn the best approach to gather provider information
- Understand provider compliance reviews
- Know what to do if you have a problem with your provider
- Discover what is available on the Ohio Dept. of DD website

Question and answer sessions will include:

- Getting involved with CCBDD (intake process)
- Provider Selections with a waiver
- Provider Selections with other funding

**Wednesday, June 10, 2015
9:30 a.m. - 12:30 p.m.**

Parma-Snow Library
2121 Snow Road
Parma, OH 44134
