### REGISTRATION:

Space is limited, so please register today by visiting:  
<https://johncarrolluniversity.wufoo.com/forms/danies-day-participation-form-2016/>

Danie's Day is a **FREE** event for children, teens, and adults with special needs and their siblings. Children pair up with a JCU student "buddy" for the day, play a variety of games hosted by JCU Student Organizations, and receive a **FREE** lunch (gluten-free and dairy-free options are available). Games and activities include basketball, karaoke, finger painting, corn hole and a variety of others for children of all ages and abilities. Parents and guardians are welcome to stay for the event and enjoy a guest speaker and networking event, or they can leave their children for the duration of the event and enjoy a day of reprieve.

JCU student "buddies" receive training on caring for children with special needs from an Up Side of Downs representative. JCU EMS is also onsite for the event. For more information, please visit:

Danie's Day is a special event in memory of Danielle Rose, JCU Class of 2015. Danielle was an Arrupe Scholar, whose passions were rooted in helping children. For more information on the Arrupe Scholars Program and the life of Danielle Rose, please visit:

<http://sites.jcu.edu/arrupe/home/in-memory-of-danielle-rose/>
