

# Autism Awareness Parent Panel

*Wednesday April 5*

*6:30pm – 8pm*

The panelists will address common concerns and issues faced by parents and caregivers of children and adults on the autism spectrum. They will share personal stories of how they overcome challenges and help their children attain their goals relating to education, communication, socialization and personal objectives.

*Presented by*

*Katie Krammer, PH.D.*

*Associate Professor of Special Education & parent*

*Ruth Gordon, MOT, OTR/L*

*Pediatric School-based Occupational Therapist & parent*

*Katie Cudzilo, parent*
