STABLE ACCOUNT

Learn about this important investment option for people with disabilities. These accounts allow investment without losing certain critical eligibilities like Medicaid, SSI and SSDI. An expert from the state treasurer's office will be our guest to explain the program and take your questions.

Tour Cuyahoga East Vocational Education Consortium (CEVEC):
CEVEC offers a variety of half and full day programs with the goal of giving students real-world training. CEVEC is a consortium of school districts that offers non-traditional alternatives to high school.
