

**AUTISM SPEAKS U OF
CASE WESTERN RESERVE UNIVERSITY**

SPARTIES RUNNING PROGRAM

Offering free, one-hour, weekly athletic opportunities for kids ages 7-14 on the autism spectrum as well as neurotypical siblings and friends.

Each child, whether autistic or neurotypical, is paired with a CWRU varsity athlete who will act as their coach for the semester. This consistency allows the athlete and coach to gain trust and build a friendship over several months.

FEBRUARY 4 - PARENT INFO MEETING
