

## Rec2Connect Group Recreation Therapy Classes

*Group Recreation Therapy classes will focus on achieving developmental milestones, interacting socially with peers, and acquiring new skills related to leisure and sport while having fun in a positive environment.*

*Each child will participate in a standardized assessment, a comprehensive evaluation in recreation therapy at the first class, followed by establishing 4 individualized goals and a treatment plan.*

*Children will follow a schedule of activities intertwining with their individual therapeutic goals with gross motor activities, socialization, games, and a variety of strategically adapted sports activities.*
