

Spectrum Saturdays

Come be yourself in a safe and supportive space--
with other people just like you!

Everyone 16 and older is invited to a peer-guided
discussion group for

trans and non-binary folks on the Autism spectrum

(both professionally and self-diagnosed).

Every month, we'll be exploring our identities and
expressing our authentic selves through no-pressure
conversation and creativity.

Join our community, we can't wait to meet you!
